Subject Budget Estimate of Malavalli Municipality for the
year 1943-44

I have the honor to forward herewith the Budget Estimate of Malavalli town Municipality for the year 1943-44 together with the resolutions of the Municipal Council and the necessary statements for favour of sanction

2 Receipts The Municipal Council anticipate an income of Rs 27,317/- ~~xx~~ for 43-44 as against ~~xx~~ an income of Rs 25,753/- and 21370/- under sanctioned and revised estimates for 42-43

3 The Municipal Council anticipate an income of ~~Rs 6,000/-~~ under 'Taxes on Buildings and Lands' for 43-44 as against a sum of Rs 4,300/- under revised estimate for 42-43. It is explained that as the post of the special Revenue Inspector is proposed to ~~be~~ continued during 43-44 also, there would be improvement in ~~collection~~ collection of arrears. The income may be retained in the circumstances explained

Under C 1 Rents on Buildings an income of ~~Rs 5,00/-~~ is anticipated as against an income of Rs 4,00/- under revised ~~estimate~~ estimate for 42-43. No explanation is offered for the increase. Hence the income may be limited to Rs 4,00/-

A sum of Rs 4,306/- under C 5 fees and revenue from Educational Institutions, is anticipated for 43-44. But it is seen from the Budget estimate of the High school, that a total income of Rs 4798/- under school and admission fees is anticipated providing 10% free-ships. But the income of Rs 4,306/- is ~~xxx~~ anticipated providing for grant of 20% freeships. As the question of granting 20% freeships has not been settled, the anticipated income according to the Budget estimate of the High school may be retained.

As the other items of receipts do not call for any remarks they may be retained.

Expenditure The Municipal Council have provided a sum of Rs 28,353/- towards expenditure for 43-44 as against an expenditure of Rs 27,901/- and Rs 26,452/- under revised and sanctioned estimates for 42-43.

Under A2 (b) 'Travelling allowances' a sum of Rs 150/- is

a sum of F 150/- is provided as against a sum of F 100/- under sanctioned budget for 42-43. No explanation is offered for the increased provision. Hence the provision may be reduced to F 100/-

A sum of Rs 2,500/- is provided under 'B Public Safety 2 (d) Electric Lighting Charges' for the year 43-44, as against an expenditure of Rs 1,750/- incurred during 42-43. As no explanation is offered for the increased provision, the provision ~~of~~ may be reduced to Rs 1 750/-

Under 'D Public Works' a sum of F 1,000/- is provided towards original works. No details of the works proposed to be taken are given. In view of the poor finances, the provision made may be reduced by Rs 5,00/-

Similarly the provision of Rs 100/- made under repairs may be reduced by Rs 500/-

Under ~~XXXX~~ 'D 2 Conservancy Establishment' a sum of R 3 372/- is provided for 43-44. The pay of the Sanitary Inspector is provided at F 87/- per month. While the present incumbent will be drawing Rs 41/- from 43-44. Why the provision at Rs 87/- is made is not explained. Hence the actual provision required for 43-44 may be retained. Also provision for entertaining 3 additional ~~sweepers~~ sweepers is made. This may be retained subject to the condition that sanction of competent authority should be obtained before the expenditure is incurred. The provision may be reduced to Rs 2 820/-

Under "F Public Instruction" a sum of Rs 7,000/- is provided ~~for~~ towards establishment charges. According to the Budget Estimate of the High school a sum of Rs 8,120/- is required. Hence the provision may be increased by Rs 1 120/-

The other items of expenditure may be retained as they do not call for any remarks.

With the above modifications the financial position will be as follows -

Opening Balance	850/-
Receipts for 43-44	27,709/-

Total	28 559/-
Expenditure for 43-44	27 121/-

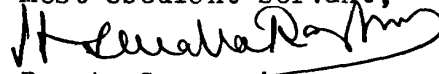

Closing Balance	- 262/-

The normal expenditure of Rs 23 621/- is within normal income of F 25,709/- but there is a minus balance of Rs 262/- The financial position of the Municipality is not satisfactory. The Municipal Council should find out ways and means to improve their resources. The heavy arrears should be reduced to an appreciable extent as it is proposed to continue the Services of the Revenue Inspector.

I request you kindly to obtain sanction of Government for the Budget of the Municipality for the year 43-44, with the

with the above alterations

I have the honor to be,
